2001.09.11. Two towers. 2,997 deaths. 25,000 injuries. Injustice demanded a balancing act.

Muslim POWs were on the target. Sound torture got popular.

The CIA invited a television entertainment figure massively appreciated by children all over the US - Barney the Dinosaur. The song saturated with I Love You echoes pierced through suppressed ears of the interrogated, granting officers mapped-out confessions.

Pink monolith inhabited subconscious. Soft smile reminding treason.
